

319.270 Federal acquisition conferences.

The Department of Commerce is responsible for coordinating the participation of Federal civilian agencies in a continuing series of conferences which are sponsored by members of Congress. The objectives of these conferences are:

- (a) Location of additional acquisition sources to broaden the acquisition base of Federal agencies;
- (b) Stimulation of local, regional, and national economic growth, national security, and cost reduction;
- (c) Location of underutilized production capacity;
- (d) Prevention or elimination of pockets of underemployment; and
- (e) Assistance of small and small disadvantaged business concerns.

As notified by the OSDDBU, contracting activities shall provide appropriate SADBUS or acquisition personnel to participate in person-to-person counseling at these conferences. Ordinarily, participation by contracting activities will be restricted to conferences held within the geographical areas adjacent to their offices. The brochure, "How To Do Business With DHHS" should be of great assistance in this counseling as it has been specifically prepared to assist individuals, firms, and institutions who may wish to do business with this Department. It contains a brief description of the mission and programs of HHS and its Operating Divisions and provides a listing of contracting offices and the types of services and commodities acquired by each.

Subpart 319.5—Set-Asides for Small Business

319.501 General.

(c) Prior to the contracting officer's review, the SADBUS shall review each proposed acquisition to determine the feasibility of recommending award to the Small Business Administration (SBA) pursuant to section 8(a) of the Small Business Act. When it cannot be awarded to SBA pursuant to section 8(a), the SADBUS shall review the proposed acquisition to determine if it can be recommended as a set-aside under one of the set-aside priorities stated in FAR 19.504. The SADBUS's rec-

ommendation shall be entered on Form HHS-653, Small Business-Labor Surplus Set-Aside Review Form, with the reasons for the type of set-aside recommended, or the reasons for not recommending a set-aside, and provided to the contracting officer. Upon receipt of the Form HHS-653, the contracting officer shall promptly concur or nonconcur with the SADBUS's recommendation. The contracting officer will make the final determination as to whether the proposed acquisition will be set-aside or not. If the contracting officer approves the SADBUS's set-aside recommendation, the proposed acquisition will be set-aside as specified. However, if the contracting officer disapproves the SADBUS's set-aside recommendation, the reasons must be documented on the Form HHS-653, and the form signed. (See 319.505 for options available to the SADBUS regarding the contracting officer's disapproval of a set-aside recommendation.) In all cases, the completed Form HHS-653 is to be retained by the contracting officer and placed in the contract file.
